

SUPPORT THE FIGHT TO RESTORE CLAUSE 4

DONATE OR AFFILIATE TODAY!

Delegates at this year's Labour Party conference will be voting on whether to bring back Clause 4, Labour's commitment to common ownership and socialist policies. Help the *Labour4Clause4* campaign organise a presence at the conference by donating to our crowdfunding appeal, or by affiliating to the campaign.

Under the leadership of Jeremy Corbyn, the Labour Party is being transformed. The possibility of bringing a radical Labour government to power is within our grasp.

The *Labour4Clause4* campaign has been launched by grassroots Labour members and trade unionists, in order to restore the socialist aims of the party, as incorporated in the original Clause 4.

This famous clause committed Labour to "secure for the workers by hand or by brain the full fruits of their industry...on the basis of the common ownership of the means of production, distribution and exchange..."

This was the Labour Party's socialist pledge. It was later abolished by Tony Blair in 1995, who replaced it with support for the 'rigours' of competition and the 'virtues' of the market – in other words, for support for capitalism.

Resolutions will be on the agenda of this year's Labour Party conference that aim to remove this stain and reintroduce the original socialist Clause 4.

As part of the campaign, *Labour4Clause4* is launching an appeal to raise money and fund an official stand and fringe meeting at the Labour Party conference, taking place in Brighton in September 2019.

With a presence inside the conference, we will be able to discuss with other conference attendees and delegates, and maximise the campaign's impact.

We are therefore appealing for £3,500 to cover the main costs, which include:

- £1,900 for the cost of a stall
- £180 for a stall banner
- £180 for a featured listing
- £600 for travel and accommodation
- £600 for a hall booking for the campaign rally / conference fringe meeting

We are also offering gifts for those who donate:

- Donations of £5 or above will receive a Restore Clause 4 badge.
- Donations of £25 or above will receive a

Clause 4 t-shirt.

- Donations of £50 or above will receive a signed copy of *In the Cause of Labour*, a history of the British labour movement, written by *Labour4Clause4* campaign co-ordinator Rob Sewell and recommended by Tony Benn.
- Donations of £100 or above will receive all three gifts!

All donations - small or large - are warmly welcomed. Donations can be made by cheque or into the bank details below, or online by visiting:
